FinCare is pleased to welcome Mr. John Stillone

We are proud to announce that on 1 July 2014, Mr. John Stillone from Stillone & Associates has merged with FinCare Accounting Pty Ltd.

John has joined the FinCare team and is working out of our head office located at Sutherland. He will continue to provide taxation and accounting services to his existing clients, with the assistance from Patrick Miller and the FinCare team. We are proud to incorporate his knowledge and experience into the FinCare group.

Both FinCare and Mr. Stillone have a commitment to customer service as well as a commitment to being more than "just accountants" offering taxation services. If you are interested in viewing more details regarding our new team members, please view their profiles by [clicking here](#).

Super Guarantee Rate has changed from 1 July 2014

Are you paying the correct amount?

You may be aware that in the budget, the government announced the super guarantee rate will increase from 9.25% of each eligible employee's ordinary time earnings each quarter in super to 9.50% from 1 July 2014. The rate will remain at 9.5% until 30 June 2018 and then increase by 0.5 percentage points each year until it reaches 12%.

The best business tool available this year!

We now have an exceptional business debt management tool available. This tool should be used by every business owner to record exactly what your taxation liabilities are in order to manage your business debt. By using this tool you can calculate the exact amounts for meeting your quarterly PAYG and Business Activity Statement liabilities.

If you would like assistance using this tool for your business, please call our on office on 9542 4655 or if you would like to download the tool [click here](#)

How do you pay your activity statement payments?

At FinCare we like to provide correct and up to date information on how clients can make payments to the Australian Taxation Office when necessary.

There are several options available to make activity statement payments without needing to use a payment slip. To find out more [click here](#).

Did you know the PAYG instalment threshold has increased?

As accountants we often have to explain to our clients about instalments and why they are paid. Instalments are payments towards your end of year taxation liability. This year the pay as you go (PAYG) instalments entry and exit thresholds are changing. From 1 July 2014, PAYG instalment thresholds will increase. To find out more about how this could affect you [click here](#)

Have you liked our Facebook page yet?

Social Media is a way of life these days, it has created a way of interacting with multiple friends, family, colleagues and businesses. Why not check out our Facebook page and be provided with up to date information which could assist you as an individual or business owner [click here](#)

Do you use MYOB?

It is extremely important to ensure that your Tax Tables are up to date each year to avoid deducting incorrect amounts from employees pays.

We would like to let our clients know that we have an affordable way to update the Tax Tables without having to take out the MYOB Yearly Subscription. This upgrade is available for just \$68.20. Please call our office on 9542 4655 to find out more details.

Have you got Private Health Insurance?

You will need to provide your health insurance statement for the year when completing your tax return. From the 1 April 2014, rebate percentages are adjusted annually by a rebate adjustment factor. The adjusted rebate percentages are applied to premiums paid on or after 1 April, this means your rebate before 1 April will be different to the rebate on or after 1 April. If you would like to book an appointment to complete your tax return please [click here](#)

Are you thinking of currently completing any Research and Development (R&D) within your business?

Michael Harmer and Brian Willett from FinCare Accounting Pty Ltd are experienced in the completion of R&D tax offsets claims; if you are looking at R&D they should be your first call. If you would like to read more about the tax offsets available from the ATO for eligible R&D activities please [click here](#)
